

Western Architecture Award

PRESENTED TO Campbell and Shadbolt Architects Ltd

CATEGORY Commercial Architecture

FOR Manfeild Race Facilities

A simple planning solution supporting strong sightlines to all parts of the track, this building houses pit garaging, corporate facilities, spectators, race officials, and media. Practical yet refined in its detailing, this building works on every level.

Western Architecture Award

PRESENTED TO Campbell and Shadbolt Architects Ltd

CATEGORY Commercial Architecture

FOR Manfeild Park Agri-Events Centre

This building is the largest indoor equestrian arena in Australasia, and provides a multi-purpose facility for agricultural and other events. Using agricultural/industrial aesthetics the architect has created an elegant solution to the 'big shed'.
